Hey everyone! I have missed seeing everyone these past few Sundays. As you're reading this, we are rafting down the Ocoee river. This is our last thing this summer before we start school back for the school year. There are a couple things I want you all to be aware of coming up.

Outside my office, there is a sign up sheet to host monthly devotionals throughout the year. We need that filled up so we have a place to go each month! August is already taken care of, so please find out when you can and sign up! All we ask is that you provide the food for the night, and we will bring some money for you. If you need drinks or desserts, just let me know before that night!

FAN THE FLAME

Harding University's 96th annual lectureship is scheduled for September 29—October 2, 2019. The theme is Acts: Renewed by the Power of the Holy Spirit. There will be many keynote lectures and classes. To learn more, visit Harding.edu/lectureship. Harding is located at 915 East Market Avenue, Searcy, AR 72149-5615.

OnTrack is starting back up soon and we will need your help! If you can volunteer in any way with this, please let me know. We are going to be trying to really get this going again, and try to get as much of the community as involved as we can. To do that, we need a lot of church involvement as well. So please, if you can help just let me know! Hopefully, we will have plenty of ways you will be able to help us out with this.

As a youth group, we will be looking for ways to serve the church in different ways. If you have an ideas for that, feel free to let me know. I have some already, but I am always open to hearing your thoughts.

FAMILY NEWS

August 4, 2019

Most of us "eat out" today more than we used to and – I suppose truth be told – more than we should. Even though some of us may not eat out as much as the rest of us, we do enjoy a meal we don't have to prepare, serve and – most of all – don't have to clean up afterwards. (Those "AMENS!" you heard from the pews around you were from all the wives and mothers.)

Regardless of which category you fall into you no doubt are accustomed to ordering a soda, coffee or iced (sweet) tea, maybe water as you look over the menu. The server will frequently stop by to refill your drink during your meal and even provide you a to-go cup if you need one. Some restaurants – especially fast food places – actually have the refill machines where you can just serve yourself anytime you want a refill. The unlimited free refills are built into the price of the meal. If you go thirsty, it's your own fault.

Occasionally we have eaten in restaurants that don't provide you with free refills. If you guzzle your drink before your order arrives, you have nothing left for the meal. Should you want more you will be charged for each refill. We usually find that out the hard way when we pay the check and find we've been charged for six drinks. Bummer! No free refills!

In John 4, Jesus encountered a woman who was drawing water to quench her thirst and to take back to her family. The well from which she drew water daily had been there for hundreds of years. Countless thousands had drawn water from it. On this occasion, Jesus asked her for a drink which astonished her since he was a Jew and she was a Samaritan (a definite faux pas in that culture in the first century.) At some point he offered her water which again puzzled her since he had nothing with which to draw water from the well. Then he revealed to her that he was talking about living water. It would quench her thirst forever.

Naturally she was curious about that kind of water. He tried to help her understand that the water he was talking about wasn't your average well water. He was talking about the spiritual water only he could provide.

The living water he spoke of reappears in John 7:37b-38. "If anyone is thirsty, let him come to me and drink. Whoever believes in me, as the Scripture has said, streams of living water will flow from within him."

Jesus offered the woman unlimited refills. He offers us the same living water. The cost of the unlimited refills was built into the price of your spiritual drink. Jesus paid for all of it up front. It's available 24-7. Any time you feel thirsty you can get a free refill, an unlimited refill of living water.

If you have accepted the free gift offered by and paid for by Jesus, you have access to the fountain of living water. If you ever get spiritually thirsty, go back to the fountain and get a refill. If you go through life thirsty, whose fault is that? Unlimited free refills are available.
