TROY Church of CHRIST

FAMILY NEWS

February 12, 2017

Did you know that the Obion County School System has a "Backpack Program" which currently feeds approximately 105 students every week? Every Friday they provide a bag of food to get students through the weekend. They need help to keep this program going until the end of the school year. It takes about \$500 a week to feed the number of children in the program. A number of local churches have pledged support, but there's still a need for additional resources. Here's how you can help.

Items needed are listed below. Of course, monetary donations can be made to the Obion County Backpack Program. If you have any questions or need additional information, feel free to contact Chastity Homra (Director of Coordinated School Health) at 446-2003 or by email at [chomra@ocboe.com](mailto:chomra@ocboe.com).

What a great opportunity to teach our children to be givers and help kids like themselves. Take the list with you as you do your weekly shopping and select one or two items, and place them in the container each Sunday. There's a box designated for your donations at the "Information Station". It's that easy! We will arrange for them to be delivered to Ms. Homra for distribution to needy children. Thanks in advance for caring.

The statement attributed to Jesus, "It is more blessed to give than to receive" (Acts 20:35) is still true. Helping the needy is helping Jesus (read Matthew 25). I hope you will join us in making a difference in the lives of the kids in our area.

**THANK YOU**

Thank you so much for your thoughts and prayers and the beautiful ceramic church like you sent to me and Susan in the loss of my mother.

- Jim and Susan Robertson

We seek to serve and lift up our God to the best of our abilities, and to unite as one to lead others.

Winterfest is upon us!

Only 5 days until the high school group leaves for Gatlinburg and we could not be more excited. I would like to thank everyone who helped with scholarship money and also our chaperones who will be making the trip with us, you are all play very important parts in helping these young men and women realize just how great and loving the kingdom of God is.

We will be beginning fundraising soon for Reelfoot youth camp, and any donations are appreciated.

Also, we are still needing a few more people to "adopt a student" from the afterschool program. I will be compiling a list of things you could do for your adopted student if you are unsure of what to do. It will be easy, just show them you care about them.

Attention Middle School!

Monday February 20th, there is NO School! And that means we need to have MIDDLE SCHOOL ONLY night here at the activities building from 5-8. Dinner will be provided and bring your middle school friends! We will have open gym time as well as some organized group games (like we did at Winter camp) It will be fun...will you be there?!

Troy family, I want to thank everyone that donated baby items for our friend Brittany. You always go above and beyond when presented with an opportunity to help. Thank you for shining Jesus!

- Kim

Have a great week!
